EMILIO MORO MALLEOLUS DE SANCHOMARTIN

€160.00

An intense deep cherry red color. On the nose it stands out for its intensity and the quality of its aromas, supported by the character of one of the best vintages in the last ten years. The tempranillo varieties are perfectly integrated in the ensemble of this wine due to ageing in fine oak barrels. On the palate it is powerful and persistent with silky sweet structured tannins. A long and persistent aftertaste.
