MAN O WAR VALHALLA CHARDONNAY 2020

€35.00

2020 Valhalla exhibits toasty complexity over a range of citrus notes from lime characters to mandarin. The palate is rich and textural with a fresh succulent finish that belies its concentration. 2020 was a drought year which often presents challenges in creating wines that are fresh and zesty. The 2020 Valhalla is classical in its style being linear, structured and age worthy typical of some of the great wines of the world
