S. G. Katodritis & Co Ltd

EL ESTECO DON DAVID TANNAT 2014

€16.90

In terms of value for money, this wine sets the standard. Tannat is fast becoming the go-to™ grape variety for the North of Argentina. It is high in acidity, but needs a long ripening period, which makes it perfect for this dry and high climate. Dark fruits and jasmine on the nose, with a rich palate and soft tannins on the finish.
