ANGELO GAJA CA MARCANDA DI GAJA PROMIS TOSCANA IGT 2021/2022

€49.00

Color: Light garnet. Aroma: Bright and fruity with a jammy nose. Taste: A delightful wine that combines the elegance and suppleness of Merlot and Syrah with the austerity of Sangiovese. Balanced, almost musical, its a pleasure to drink from an early age and also has an aging potential of 5-8 years. Promis, from the Latin abbreviation, promissio, meaning promise truly lives up to its name. The grapes are grown in the terre brune (rich, dark soils) of the Ca'Marcanda vineyard. The soil consists primarily of loam and clay. The climate--hot summer days, freshened by brisk sea air and cool nights--is ideal for the grapes grown here. Item: Toscana I.G.T. Grape Variety/Varieties: 55% Merlot, 35% Syrah and 10% Sangiovese. Alcohol Level: 14%
