KYPEROUNDA EPOS RED DRY

€24.00

The Syrah and Cabernet Sauvignon from our own vineyards produce a noble wine that matures for 18 months in new oak barrels from French forests. Dense dark red colour, a complex and strong aromatic character and full robust taste. A red wine with great ageing potential that will continue to improve in the bottle for another 8-10 years. It should accompany pungent dishes, such as game, red meats or hard cheeses and cooked pork meats. Serve at 16 – 18 °C
