# DOMAINE DE BEAURENARD BOISRENARD CHATEAUNEUF DU PAPE RED 2021

€86.00

The wine made from old vines of different varieties growing together, with moderate yields, Boisrenard is characterized by the silky weave of its tannins and its generous fruit. A wine of immense depth. A very powerful, complete, driving style of wine, big in tannin, acid and alcohol with a long finish. Huge concentration of dark spice-led fruit and cedary notes
