# FAMILIA DEICAS ATLANTICO SUR ALBARINO 2023

€16.90

Fresh wine with marked aromas of citrus fruits and white flowers and then stone fruit and some hints of melon. On the palate it is lively and mineral, fresh and with a strong acidic streak. The finish is long and recalls a hint of saltiness. It is an ideal wine to enjoy as an aperitif with finger foods but it is also perfect with fish and seafood
