Lazarides Chateau Julia Merlot Red 2018

€19.00

Rich and balanced flavors of oak and red/black fruits. Its color is dark ruby , almost purple and the leading aroma is from ageing oak especially vanilla. It also reminds of spices and cinnamon. Its body is medium ,rich and buttery and the tannins are exploding with their round and pillowy texture. Dominating flavors are again oak and black fruits like currant and plum but with a sour balance of cherry and pomegranate. At last but not least the aftertaste is quite spicy and very rich in vanilla and spices.
