KOLIOS PERSEFONI WHITE DRY 2022

€9.00

The "Persefoni" wine is a product of the Kolios family which is produced on the wild, green mountain peaks at the highest village of Paphos, Statos-Agios Fotios. The family vineyards have been planted by our grandfathers on the rustic slopes of Paphos. With our love and care we collect grapes of high and excellent quality. In our family winery we create this miracle of nature in limited quantities. Enjoy ice cold with white meat, fish, nuts and fruits.
